# FRENCH CONVERSATION

Immerse your child in the beauty of the French language with our French Conversation class. Designed for learners at various proficiency levels in the Core French program, this course focuses on developing conversational skills, vocabulary, and pronunciation. *Select Locations Only - see website for further details.*

## **FRENCH CONVERSATION ADVANCED**

Elevate your child's French conversational abilities to the next level with our Advanced French Conversation class. Tailored for those who have a strong foundation in the language, this course delves into more complex topics, nuanced expressions, and cultural subtleties. Through stimulating discussions, debates, and advanced language activities, participants will refine their fluency, broaden their vocabulary, and gain confidence in expressing themselves in diverse contexts.
