

Common Secondary Questions...

I registered for a summer course, when will I hear something?

More information will be sent out closer to the start date of the course.

What kind of assessments will my course have?

Students will complete a CPT rather than an exam. All assessments are up to the discretion of the teacher.

When is the last day I can withdraw?

Before the class starts, you can withdraw at coned.ycdsb.ca. The last day to withdraw from a class without academic penalty is right after the midterm. After the class starts, you must withdraw using a drop form which will be provided on the D2L homepage.

How many classes can I miss?

Students are able to miss a maximum of 3 classes. Anything more and they are removed from the course.
